What we can do for you:

- Provide you with educational materials to help you learn about the home building process by email
- Electronic resources: floorplans, photos, building advice and more– all complimentary
- Schedule a phone conversation with one of our building consultants to learn about your needs and budget prior to scheduling an in person meeting

What you can do for us:

- Please do not visit if you are not feeling well, or if you have been in contact with someone not well
- Please wear a face mask while in contact with our staff and other clients close by
- Temporarily, we would appreciate that only adults tour our model homes for the safety of our staff and clients
- Be patient, we are learning a new way of doing business to keep you safe and well cared for

To help keep you safe:

- We will maintain clean, disinfected models and wipe down surfaces in our office often
- Our staff will maintain social distance with no direct contact with clients, and wear masks while within 6' of our guests for your protection
- We will work by appointment only to limit the number of visitors to our sales center at any one time

Together we will get through this trying time.

We appreciate your trust and confidence, and look forward to earning your business. Eric & Michelle LaBounty, Owners
